Try something new, something exciting, something that will surprise your family and friends....

Circus

Surprises in store:

- Learn to swing on a trapeze, spin plates, use devil sticks, juggle, hoola hoop or be part of a human pyramid
- Make costumes, props, posters and invitations to show off your talents!
- Showtime on the last day!

Who can join the circus?

- Any child from Kindy to Grade 8 in 2010
- **Roll Up!**: For children who require additional support (e.g. physical or sensory)
- **Run away!**: for children who are ready to extend themselves

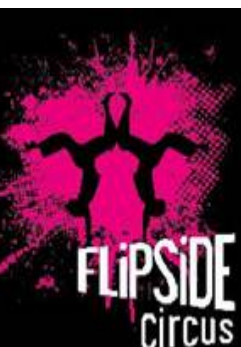

Information for parents and teachers

This workshop is run by occupational therapists and designed for children who would benefit from the chance to work on:

- Sensory input
- Coordination, motor planning, muscle strength and tone
- Attention and sitting still, such as children who are 'on-the-go' or slow to get started
- Handwriting and fine motor skills
- Teamwork

Most importantly, *circus* is about self confidence and FUN!

Places are strictly limited. Book today!
